Intra School Multiskills Competition

Over the first two weeks of this term Years 1-6 have taken part in an intra school multiskills competition in their PE lessons. They have competed for their house team to earn points to win. As part of the multiskills the children had to perform 8 different activities challenging different skills. They had 3 minutes at each activity to score as many points for their house as they could. The activities included: shuttle run, basketball dribble, ball retrieve, target throw, football dribble, mini hurdles, speed bounce and the bean bag balance.

The overall winners were Wey house and will be awarded 500 house points to add to the overall school total.

We will do this again after Christmas so the other houses will have a chance for multiskill glory or will Wey retain their title?
