

LEARN TOGETHER WITH YOUR CHILD

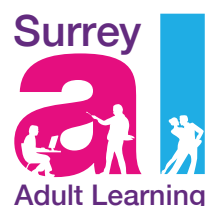

Would you like to support your child with their schoolwork but lack confidence?

Perhaps **ENGLISH** isn't your first language or **MATHS** isn't your strong point and you need some help understanding what your child is doing at school.

Surrey Adult Learning provides **FREE** courses and workshops to help parents and carers navigate school life and give support where children are struggling. Because learning together is fun - and right now it couldn't be more important.

Sign up today for your **FREE** course online at www.surreycc.gov.uk/familylearning
