Pupil Voice

I am so pleased our children have found their voice. Our letter boxes this week, following our assemblies, are full of amazing ideas and suggestions. Chelsea-Mae (Year 5) has asked for a fruit stall in the playground, so as a first step she has been asked to find out what fruit the children would like on the stall. We all think this is a really great idea and we will be working with her to make this happen. Chelsea Mae is now the proud owner of the 3rd Head Teachers award badge. Congratulations.

At the children's request there is now a history club and a library club. We are also looking at the suggestions to erect football goals in our Wembley area. We are loving the pupils input into their school and the fact they are helping us make Chandlers Field the best place it can be.

Keep those ideas coming, we are loving them!

National Numeracy Day

Next Wednesday we will be taking part in National Numeracy Day. The children will be learning how we use maths every day. We have planned activities throughout the day. This is an opportunity for children and adults to improve their numeracy skills. Lots of ideas on the national website from baking to dance!

COVID Testing

Please may we remind you that, under Government guidelines, it is still necessary to obtain a PCR Covid-19 test if your child is suffering with the following symptoms:-

- loss of taste
- a cough
- a high temperature
- shortness of breath

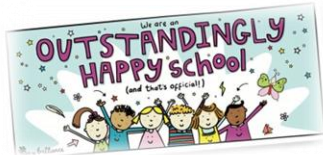

Lateral flow tests can be used for regular testing but if you have these symptoms, it is still necessary to have the PCR test.

Golden Boot Challenge

This year we are participating in the Golden Boot Challenge. It will take place from the 7th June until the 2nd July. This is a challenge involving Surrey schools to support healthy and sustainable travel to school. We will provide more information before the end of term.
