Chandlers Field Primary School 11 June 2021 No. 20

This week's newsletter seems to have a safety theme to it! Please take the time to read it.

Danger to pupils and parents

Again, I am sharing a letter received today. I am deeply saddened to think that a few parents and carers at our school are not considering the safety of others. I know from conversation that some of you have had with me that you are fed up with this issue too.

- Please park legally.
- Please park safely.
- Please do not park on the grass verge near the school exit.
- Please do not put lives in danger.

"Today I walked past your school as the pupils were leaving at approx 3.10. I was horrified to see several cars (driven I presume by parents of CFS pupils) parked up on the grass verges outside the school. I walked past one car that was actually "manoeuvring" off the verge/curb & driving over the school entry footpath, so that children & parents had to stop walking to let the car through.

Parking was always an issue, but rather than improve, it seems worse now. It's incredulous to me that the very people endangering the safety of CFS children, have children themselves at the school!!

I foresee an accident if parking, such as I saw today, continues. I'm sure you must be aware of this problem? PLEASE PLEASE for the children's safety, tell me you are addressing this??

Covid Care

We have been made aware that the Covid Delta variant is in the locality.

There is surge testing taking place in Kingston and I believe a local school has closed classes due to cases of this variant.

In order to keep everyone safe we ask that you continue to maintain social distancing and wear a face mask on the school site.

While we are hoping to hold a couple of events towards the end of this term, please be aware that these are subject to the situation at the time.

Bike and scooter parking

It is really great to see so many bikes and scooters coming to school. It is so popular that we are going to have to purchase more stands.

Thank you for ensuring your child walks their vehicle on the school site so that there are no accidents.

Golden boot

Remember the Golden Boot Challenge started this week. Walk to school and get those steps up!

Earrings and PE

Children must remove earrings for PE for safety reasons. If earrings get caught during PE they can potentially tear an ear. Ears bleed profusely if they tear.

If earrings have to be worn to school they should be small studs. If your child comes to school with earrings that are not small studs you may be asked to come and remove the earrings.

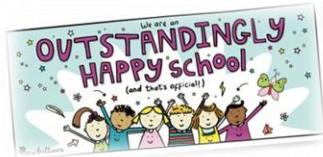

School Uniform

School Uniform is expected to be worn and the uniform details can be found on our website.

Trainers in particular must be plain black or white and not bright colours.

Please remember that we have a uniform exchange if you need anything as we near the end of the school year. Please speak to Mrs Edwards if you need an item of clothing or footwear for your child.

Thank you.
