What is a Parental Support advisor?

Hello , my name is Jill Edwards and my role here at Chandlers Field Primary School is to support you with any worries or concerns you may have about your children or home circumstances while your children are at this school.

During term-time I will work in partnership with parents/ carers, school and other agencies to support families, aiming to reduce barriers to learning and prevent future difficulties. Before I work with your child I will ask for your consent. I may seek your permission to share information with staff at the school or with other agencies.

Being a parent/Carer can be a rewarding role, it's also probably one of the hardest jobs you will ever do! Sometimes we just need some support and I am here to help you.

I aim to source help:

- For children who are experiencing difficult times or are withdrawn or anxious
- For parents/carers experiencing difficulties with their child's behaviour
- For families who are reacting to change, such as parental separation or bereavement
- For parents/carers whose children are reluctant to attend school or who have been excluded
- For parents/carers who may need support on a wide range of issues or difficulties impacting on their family life e.g. illness, domestic violence, disability, financial difficulties.
- For making and maintaining links with the school
- attending school meetings and appointments with your child
- signposting to other services and support, help and advice
- Early Help referrals
