Share a book sessions Year 1 & 2

We are delighted to be able to welcome back parents into school for different events again and we are starting off with a share a book session on the 12 and 14 October. Parents and carers of children in Years 1 and 2 will be offered a session to come and share a book with their child in their classroom.

The sessions are as follows:-

Parents & Carers with a child with the initials A – J
– 9am – 9.30 am, Tuesday 12 October.

Parents & Carers with a child with the initials K – Z
– 9 am – 9.30 am, Thursday 14 October.

As this is the first time of running these sessions we are not able to change days for parents and carers. We look forward to seeing you.

The Restorative Approach

At Chandlers Field, we use the Restorative Approach to help pupils resolve conflicts between each other or help pupils' to identify where they may have made the wrong choice in a particular situation.

The children will be familiar with the following Restorative Approach Policy that is displayed in every classroom.

'Restorative practice is a way of working with conflict that puts the focus on repairing the harm that has been done. It is an approach to conflict resolution that includes all of the parties involved.'

The anti-bullying alliance provides a summary of what the Restorative Approach is and the impact it can have on pupils in school. If you would like further information on the Restorative Approach, please visit
