Restorative Approach

It has been a very exciting week at Chandlers Field!

As part of the Inset Days, the teaching staff completed further training on the use of the Restorative Approach. Our aim is to encourage pupils to be able to use the Restorative Approach when resolving disagreements. We will be using the child friendly Restorative Approach policy below to help the children:

On Thursday, we also met the friendship working group where parents and pupils worked together to focus on improving our Anti-Bullying Child Friendly Policy. Watch this space for our new child friendly policy that will be developed over the coming weeks!
