Antibullying - Odd Socks Day

We had great fun on Monday admiring all our odd socks and these are pictures taken of some of our pupils. Our odd socks demonstrated to our pupils that each and everyone of us is unique and to celebrate diversity.

Our focus for Anti-Bullying week has been around 'One Kind Word.' As a school, we have worked together to describe or provide examples of kindness. Look out for the photos of this in next week's newsletter where our work will be showcased by the Listening Ears.

School Photographs

School photos can be ordered on line or by returning them to the school office.

If you are not ordering your school photographs on line, please make sure you return your order to school by Tuesday 23 November 2021. Thank you.

Parent and Carer Evenings

This time we are offering both virtual or in person meetings with the class teachers.

Letters for parents evening appointments have been sent home with all the children this week.

Please remember to send in your slip requesting an appointment.

This will be an opportunity to discuss how your child has settled into school and to discuss the first of their three school reports. It will also give you the opportunity to meet the class teacher, if you have not already.

Parking

Parking remains an issue around school.

We are being sent photos of illegally or dangerously parked cars and we are advising that they should be forwarded to the police for further action.

As a key part of the local community, we are very conscious that everyone should respect our neighbours and local residents in conjunction with placing huge importance on the safety of our children.

We therefore have strict parking requirements which we would ask you to observe at the beginning and end of the day.

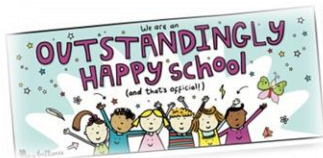

Can all parents and carers please be aware that they **must not park on the yellow zigzag lines near the school or the double yellow lines** beyond these.

We recommend that you consider parking further from the school and walking a few steps further to ease congestion.

Please leave the pavement clear to allow all pedestrians space to pass your car.

Please do not parking across our neighbours' driveways blocking their access.

With a bit of respect and thought for both the safety of our school community along with the

inconvenience caused to local residents, drop off and pick up will be a much safer calmer time.

Please think safety before you park!

Paddington Place

We are looking forward to the new SEN unit being officially handed over to the school next week once the final works are completed – ahead of time!

Once the building is ours we will be setting up the classrooms and preparing it for the children and staff to move into. Exciting times!

The Kindness Stars

As mentioned in our previous newsletter, the friendship working group has now got a new name called 'The Kindness Stars. This was chosen after a whole school vote. With this new name, we have designed a logo where a selection of children from across the school have helped us to create an image that represents our working group and emphasises that we are all unique.

30 Hour Nursery Code

If your child is currently attending the nursery for 30 hours, please may we remind you to reconfirm your 30 hour code before the end of term. If codes are not reconfirmed every term your child may fall out of eligibility for extended provision. If you are having problems reconfirming your code please contact the Childcare Choices helpline number on 0300 123 4097 as soon as possible.

Independent Learning awards
