Together

Mrs Williams

Mrs Williams had her operation at the start of the week. The operation went very well. She is now recovering back at home with Dexter to keep her company. They both say hello to everyone and cannot wait to be back in school.

Art Exhibition

Chandlers Field are delighted to present their latest work from the 'Take One Picture' Art Week. This year the children have been looking at the painting 'A Shipwreck in Stormy Seas' by Joseph Claude-Joseph Vernet and each year group has created artwork inspired from their interpretations. Their work will be exhibited on Wednesday 9th February; official opening time for the exhibition is 4pm until 5pm, but you are welcome to come in once all children have been

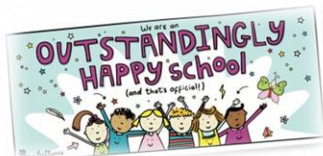

collected. The children have worked hard to produce some fantastic art pieces and it would be great to see lots of you there!

Girls Football

Chandlers Field 4 Cranmere 0

On Thursday 13 January the girls played out their last league game of the season against Cranmere. We were looking to get our first win of the season against an evenly matched Cranmere team. After a slightly scrappy start we started to gain momentum and started playing well. This pressure led to our first ever goal, an own goal after good pressing from Emily H. This settled the game down and we took control of the

Chandlers Field Primary School 04 February 2022 No. 19

it with Cranmere only having a couple of forays into our half. A second goal came after some good play with Natalie finishing it nicely. Chances were often in coming and we would've been further ahead but for some good saves and blocks by Cranmere so we had to settle for 2-0 at half time. The second half followed the same pattern and we scored two further goals through Avsin, a shot from outside the box, and a well poached and deserved goal from player of the match Emily H ending the game 4-0 and ending the season on a high. I have been very proud of how the girls have played in all the games we had and fully deserved this victory. Thank you to them and the support of their friends and family.

Safer Internet Day

On **Tuesday 8th February** we will be joining schools and youth organisations across the UK in celebrating **Safer Internet Day 2022**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology.

Using the internet safely and positively is a key message that we continually promote. Celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. Some of the activities we'll be participating in on the day include: class assemblies on online safety, discussing what information should be shared online, creating a safe gaming guide and watching internet safety films including Digiduck! There will be lots of discussion throughout the day.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, you may be interested in downloading the free Safer Internet Day Resources for Parents and Carers which is available at: saferinternet.org.uk/sid-parents. The link to this and other resources are also available in the online safety section under the parents tab on the school website.

Anti-Bullying & Restorative Approaches

At the end of March the School will receive an assessment on the Gold Charter Mark Anti-Bullying Award we received 3 years ago.

The Surrey County Council anti-bullying Charter Mark has been designed to give accredited recognition to the commendable work of Surrey schools in effectively responding to and managing incidents of bullying and peer conflict. It promotes the development of a culture and policy that sits comfortably and supportively within the safeguarding ethos of a school.

This term Mr Luxon & Mrs Edwards have presented further training to teachers & non-teaching staff on anti-bullying & Restorative Approaches.

Pupil Absence Procedures

The School's Attendance Policy states that parents and carers must inform the school office on the first day their child is absent from school and on any subsequent days. Absence calls to school must be made by 9.00 am. If you call the previous evening please leave a message on the school voicemail. After 8.30 am please leave a message on the absence line by choosing option 1. This procedure is to ensure that your child is safeguarded at all times. If a child has not arrived at school and we have not heard from a parent or carer we have to follow up to find out where they are; they may have gone missing on the way to school, you may

be ill and be unable to raise help. If we have not heard why your child is absent, we will try to call you and if we cannot make contact with you we will call the people on the list of contacts you have provided. If we are unable to make contact with a parent, carer or designated relative over the phone and we do not know where your child is we will do a home visit to make sure they, and you are safe. As a final step, we will call the police. It is important that the list of emergency contacts is always up to date. If you need to provide the office with any changes to these, please could you do so as soon as possible. Leave of absence taken during term time will only be authorised in exceptional circumstances. You may be liable to receive a Penalty Notice for unauthorised leave of absence taken during term time. Please refer to the school's Attendance Policy available on our website, as there have been some minor amendments for more details.
