Message from Mr McKee

It has been a busy half term with the children involved in activities across the curriculum: Year 5 continued their Shakespeare performance rehearsals, Year 6 got on their bikes for bikeability, Year 1 met some animals in their wild science workshop, while Year 3 and Year 5 had their assemblies. The highlight for the whole school was the creative work the children prepared for the Art Exhibition. It was wonderful to see so many parents at the exhibition. We are very proud of the resilience, creativity and artistic skills shown by the children. Now it is time to enjoy the half term. Have a great week and we look forward to welcoming you all back on Monday 21st February.

Picture. The hall was transformed into our very own gallery with work beautifully displayed from each year group. It was amazing to see how the same painting, A Shipwreck in Stormy Seas by Claude-Joseph Vernet, inspired such different work across the school. We had bright nature paintings and collages in Nursery, sketches and paintings from Reception, watercolour collages from Year 1, collagraph printing from Year 2, mod-rock waves and music from Year 3, marbling and batik waves and boats in Year 4, clay lighthouses in Year 5 and some thought-provoking refugee paintings in Year 6. The Paddington Unit made boats out of different materials, arranged collages on a sunset background, and at the exhibition had a sensory tray filled with blue foam and water representing the sea. We had some wonderful comments from visiting adults with many being amazed at the skill level and thoughtful approach from each year group. Thank you to those who were able to visit and make it such a celebratory evening.

On Wednesday 9 February we opened our doors and filled the halls with creativity for this year's Art Exhibition for the National Gallery's Take One

Year 3 Sharing Assembly

We were delighted to receive this feedback from a parent on the sharing assembly that took place this morning:-

"I was really impressed by how enthusiastic and informative the children were. They did a brilliant job of explaining how they supported the school community through the School Council and Listening Ears. I learnt a lot this morning about all sorts of interesting subjects including the rainforest and the Iron Age, Forest School, netball, and was even quizzed on my maths skills. Well done Year 3!"

Play Leaders

We have 7 volunteer Play Leaders from Year 6 who support during lunchtime break working as part of a team and communicating and playing with the younger pupils. They are aware of their boundaries and when they need to ask for help from an adult. They ensure that their area is safe, with no tripping hazards, keeping instructions simple and the most important aspect of their role is for it to be FUN for everyone.

Below are some quotes from a few of our Play Leaders and how they are enjoying their role:

"I love being a play leader because I can help teach the children new things which makes me feel proud and I love seeing the smiles on their faces when they don't have anyone to play with and then I come over to play.

It is a great experience because it builds up my confidence with other people and once again makes me feel proud of myself. Overall, so far it has been a great experience and makes me happy." (Oliver)

"I am glad to be a playleader because it is fun to play games and create our own with the children" (Jasleen)

School Council News

Lunchclubs – the council agreed that it would be a good idea to have the learning zone (library and computer suite) open at lunchtimes for children to learn. Councillors felt it would be good for the

Our Voice counts...

Nursery Places

We will soon be allocating nursery places for September 2022. If your child is 3 years old by 1 September 2022 and you are not already on our nursery waiting list, please contact the school office as soon as possible.

Independent Learning

Well done to the children who have continued to show a positive attitude in their online learning.
