### Staff News

### Ways we can all support our children

The current situation in Ukraine is on the television, radio and children will be exposed to a lot of information about the Ukraine war. It is a horrendous situation and we will be vigilant in looking after them in school and supporting as needed.

One of our strengths in the school is how we recognise emotional needs and support them appropriately. We will continue as we always do and we will monitor all the children for any changes in behaviour etc. We are not going to deliver assemblies all about the war as we know this can cause more stress and anxiety for many children. If a child asks us a question we will answer it as sensitively as we can and of course we will let you know if your child is worried.

The war, as a news item, will be on Newsround which we usually watch in classes across the school, and will be on the television and radio news and documentaries. With this in mind, we are sharing the links that we, as a school use, as they provide strategies on how to support the children if they are concerned about the war.

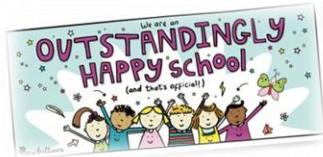

Please use these support pages as guidelines.

## Nursery Places

We will soon be allocating nursery places for September 2022. If your child is 3 years old by 1 September 2022 and you are not already on our nursery waiting list, please contact the school office as soon as possible.

All cakes will be sold off at the end of the day as part of our fund raising.

## Big Colour run

On the 18<sup>th</sup> March we are, weather permitting, going to have our own colour run. This will be on comic relief day too!

What is a colour run?

The Colour Run, also known as the happiest run on the planet, is a unique event that **celebrates healthiness, happiness, and individuality**. Colour Runners are doused from head to toe in a different colored powder.

The children who wish to take part will wear white at the starting line and run, walk or jog around the field finishing the race plastered in colour.

If you would like your child to take part they should bring a plain white t shirt to school on the 18<sup>th</sup> March. White trousers are not essential but old trousers are, as the colour may not come out completely. Sun glasses will be needed, the cheap plastic type to keep eyes as safe as possible.

The event will be held at the end of the school day so please remember that when you pick your children up they may be brighter than usual!

If you do not want your child to take place please let the school office know.

## Comic relief cake competition

We are planning to hold a cake competition for families at Chandlers Field. Each family can enter one cake, under the theme of 'together' and there will be an entry fee of £2. The winner will get a certificate as all the entry money will go to Comic Relief.
