Covid 19 – Latest Update

Please see below the latest Covid guidelines communicated by Surrey to schools to be shared in our school community.

- Pupils/Students and staff should attend if they are well
- Pupils/Students and staff should stay at home if they are unwell – schools/settings should refuse entry to those that are symptomatic or unwell
- Have a PCR test if you have COVID-19 symptoms and stay at home and avoid contact with other people if you test positive for at least 5 full days and then continue to follow the guidance (tests will remain available until the end of March 2022)
- Get vaccinated
- Let fresh air in if meeting indoors, or meet outside
- Wear a face covering in crowded and enclosed spaces, especially where coming into contact with people you do not usually meet and when rates of transmission are high
- Wash your hands and following advice to “Catch it, Bin it, Kill it”

From 21 February the government will:

- Remove the guidance for staff and students in most education and

childcare settings to undertake twice weekly asymptomatic testing.

- Staff and students of secondary age and above in SEND settings, alternative provision settings, and SEND units within mainstream settings, or equivalent in further education colleges, are currently advised to continue twice-weekly testing

From 24 February the government will:

- Remove the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days and then continue to follow the guidance until they have received 2 negative test results on consecutive days.
- No longer ask fully vaccinated close contacts and those aged under 18 to test daily for 7 days, and remove the legal requirement for close contacts who are not fully vaccinated to self-isolate.

Spare Clothing

If your child has come home wearing any spare clothing, could you please wash and return it **as soon as possible** to the school office. Thank you.

Anti-Bullying News

The slide below taken from the Anti-Bullying Alliance, describes the understanding of empathy, which will help children to look at how they behave towards others both verbally & physically, and how their actions affect others:

An empathetic person understands the feelings of others by...

1. Watching and listening
2. Remembering when they felt the same
3. Imagining how they might feel in that situation
4. Asking what that person is feeling
5. Showing they care through their words and actions

Empathy means to understand the feelings of others.

School Council Update

We met in Parliament Square today (previously known as the conference room!). This was our agenda:

Agenda

1. How we communicate with class and the teacher about school council
2. Lunchclub – online learning and library
3. Feedback from classes on school clubs that they have attended
4. School council presence across the school (public relations)

We will now begin to update the website with our agenda and minutes of meetings.

Independent Learners

The computer suite will re-open for online learning at lunchtimes next week for Mathletics and Education City. We will begin with Years 5 and 6 on Monday; Years 3 and 4 on Wednesday.

Any child from these year groups can drop in; no need to sign up. We will look at opening for all year groups as the term progresses. The library will also be open for some offline learning! School council will manage the pupil volunteers to help with reading club in the library.
