### Red Nose Reminder

We are still selling red noses as part of fund raising for comic relief. The head girl, boy and chair of the school council have helped organise the sale in school. If children wish to buy a red nose they should bring £1.50 to school. They will be sold at morning breaktime. We will continue with the sale until our stock has sold out.

### Parent Survey

Thank you to everyone who has completed the parent survey this week.

If you have not yet completed it the survey can be found at the link below.

<https://forms.office.com/r/nMHk37t1jw>

The purpose of the survey is to help us make sure we are providing the best standard of education for your children; we would like to know how you feel about our school.

This will help us to:

- Find out what we're doing well and where we could do better
- Decide which areas to prioritise when developing our school success plan
- Make sure we are meeting the needs of you and your children

Please complete one response for each child you have in school. The closing date for the survey will be Friday 25th March 2022.

Replies will be treated in the strictest of confidence.

Your feedback is very important to us.

### Netball Match Report

Yesterday Chandlers Field competed in their first league netball match for many years. For all the girls it was their first experience of a competitive game and after only 3 training sessions.

We came up against a more experienced Thames Ditton side who started the game strongly in the first quarter by scoring 3 goals. Once the girls settled the game became more even with chances at either end. Thames Ditton managed to score 2 more goals by the end of the third quarter and despite lots of promising attacking situations we couldn't quite get the goals our play merited. As the girls tired in the final quarter Thames Ditton showed some excellent play and shooting to score a further 4 goals but the last play was ours. Great quick passing from the team allowed Gaby to shoot and score our first goal.

Although the final score was 9-1 the girls were brilliant and certainly did the school proud. I'm sure they learnt a lot from the game and we look

forward to an away match at St. Albans next Thursday.

## Parents' Evening Reminder

Letters for parents Evening appointments were sent home with all the children last week. Please remember to send in your slip requesting an appointment. If you need another copy of the letter, please speak to either your class teacher or the school office.

## School Dinners and Packed Lunches

If your child wishes to change from school dinners to pack lunch or vice versa you need to inform the office, giving a minimum of one weeks' notice of this change. Children must have school dinners or packed lunch for a whole week and cannot change from day to day.

This follows Surrey County Council guidelines and allows our catering staff to have enough food for pupils while, at the same time, not wasting food.

## Nursery Places

We will soon be allocating nursery places for September 2022. If your child is 3 years old by 1 September 2022 and you are not already on our nursery waiting list, please contact the school office as soon as possible.

## Anti Bullying

So, is it bullying? Or being mean?

Or an accidental bump?

All of these occurrences can be distressing, damaging and difficult for pupils to cope with, but in order to calm a situation down and deal with it

effectively, it's helpful if we all speak the same language when it comes to bullying.

There's no legal definition of bullying.

However, it's usually defined as behaviour that is:

- repeated
- intended to hurt someone (either physically or emotionally)
- aimed at certain groups, for example because of race, religion, gender or sexual orientation. It takes many forms and can include:
  - physical assault
  - teasing
  - making threats
  - name calling
  - cyber-bullying – bullying via mobile phone or online (for example email, social networks and messenger apps) If you're based in the United Kingdom, the government states your school should have its own policy to stop bullying.

An easy definition of bullying for students and parents

The following useful acronym is a simple and effective way to teach children about the repetitive, persistent nature of bullying:

**Several  
Times  
On  
Purpose**
