Parent carer questionnaire

We need you to take the time to complete the parent carer questionnaire.

As a school we really do value your view to help us continue to improve the school. You don't have to put your child's name on your replies but if there is something you raise and we are able to discuss it with you that really helps us too.

Colour Run

Protect yourself from Cyberbullying

Bullying does not always happen in person. Cyberbullying is a type of bullying that happens online or through text messages or emails. There are things you can do to protect yourself.

- Always think about what you post. You never know what someone will forward. Being kind to others online will help to keep you safe. Do not share anything that could hurt or embarrass anyone.

Our School Newsletter

Chandlers Field Primary School 25 March 2022 No. 25

- Keep your password a secret from other kids. Even kids that seem like friends could give your password away or use it in ways you don't want. Let your parents have your passwords.
- Think about who sees what you post online. Complete strangers? Friends? Friends of friends? Privacy settings let you control who sees what.
- Keep your parents in the loop. Tell them what you're doing online and who you're doing it with. Let them friend or follow you. Listen to what they have to say about what is and isn't okay to do. They care about you and want you to be safe.
- Talk to an adult you trust about any messages you get or things you see online that make you sad or scared. If it is cyberbullying, report it.

Speaking to class teachers

Please do remember that if you need to speak to your child's class teacher they are always available at the end of the school day. If you would like them to telephone you or you want to arrange a meeting with the teacher please remember that you can call or email the school office and ask for a meeting to be arranged.

We try to avoid conversations in the morning as it is the time when the teachers are welcoming the children and settling them into class.

Any messages for the class teachers in the morning can be given to staff on the doors or the gates or to Mrs Williams and Mr McKee who are standing outside by the Albert Hall

Dexter

Dexter enjoyed meeting some of you the other morning and wants to say thank you for not

crowding him. Everyone waited their turn and made it such a nice experience for him. He loves meeting people and the attention but sometimes too many at once is a little overwhelming for him.

Dexter has been going to training with Surrey Dog school. He goes out with different trainers and he really looks forward to his time with them. He is being taught to be respectful of other dogs when out walking and to walk loose lead. He really enjoys going and always comes back for a very long sleep.

Water Bottles

As the weather is getting warmer it is even more important that every child brings in a water bottle. The drinking fountains are still turned off due to covid but water bottles can be filled up in classrooms. Water helps keep children's brains and bodies hydrated which enables them to concentrate better in the classroom.

The school has a supply of water bottles that parents and carers can purchase via Parentmail.

30 Hour Nursery Code

If your child is currently attending the nursery for 30 hours, please may we remind you to reconfirm your 30 hour code before the end of term. If codes are not reconfirmed every term your child may fall out of eligibility for extended provision. If you are having problems reconfirming your code please contact the Childcare Choices helpline number on 0300 123 4097 as soon as possible.
