Year 5 Delight Drama: A Midsummer Night's Dream

Over the Spring term, the Year 5's had the wonderful opportunity in partaking in an experience called Delight Drama that was provided by the Guildford Shakespeare Company. They were immersed in the world of a Midsummer's Night Dream by William Shakespeare. First, they had the experience of watching the performance by the Guildford Shakespeare Company and then they were tasked with rehearsing and performing the play to their parents.

The Year 5's did incredibly well; they learned their lines and rehearsed with enthusiasm and overcame the challenges that they faced.

On Friday 4th March, the Year 5's performed the entire play to their parents and representatives of the Delight Drama Charity. They impressed the audience with their fantastic acting skills and performance. Every single child was included in the play and it was a living stage, where the children were also the trees and the props. It was such an incredible and delightful experience, one that the children will never forget.

Cross Country Run

Last Saturday we took a team of 15 boys and girls across Years 4 to 6 to the Esher district cross country at West End Common where we were competing against 12 other schools. The course was tough and very muddy after the previous days rain but our children did us proud and never gave up. Each race had around 70 runners so competition was fierce. Our Year 4 boys started our morning off showing great teamwork to get round with Woody and Max coming a respectable 36th and 37th respectively. It was then our Year 5 boys turn with competitive finishes of 33rd and 37th for Jack and Sam. This was followed by Year 6 girls where Dolly (Year 5) running in the year group above, finished an impressive 27. The final race of the day was our Year 6 boys team and after a slightly controversial start Louis showed tremendous courage, heart and determination to finish a great 17th place. Well done to all the children involved, it was a great experience and a great morning. Thank you to all the parents who came along to support our teams.

Netball Match Report

Yesterday afternoon in the glorious spring sunshine saw our second match away against St. Albans B team. The match was a close one with both teams displaying excellent passing skills but neither team could find the finishing shots to take the lead until Avsin shot beautifully in the third quarter to put us 1-0 up. The rest of the match continued to be end to end stuff but our defence held firm to record our first win. Well done girls and looking forward to our next match in 2 weeks times.

Anti Bullying Parents Working Group

We have a very supportive parents working group that meet termly with the anti-bullying co-ordinators Mr Luxon and Mrs Edwards, along with our anti-bullying lead governor Ms Cheesman.

Over the last two terms we have discussed our forthcoming anti bullying charter mark accreditation that takes place on the 29 March. We have looked at evidence and work that goes on in the school to promote anti-bullying and the processes we put in place with bullying allegations, including our restorative approach. During the Autumn Term they met with our Listening Ears, to better understand their role and this term they have been informed who our Play Leaders are and how their role works alongside the Listening Ears. The working group have had the opportunity to walk round the school to view the posters and displays, including our child friendly policy.
