Together

Parents evenings

Thank you to all parents and carers for such a splendid turn out for parent and carer meetings. This really helps us to work with you and your child to provide the best education we can.

It seems that the choice of a telephone conversation or an in-person meeting works well for you all.

Thank you again for working with the school.

National Tutoring Programme

The NTP is designed to close the gap in learning that occurred due to Covid-19.

“School-Led Tutoring should focus on providing tuition to disadvantaged pupils. This should include pupils eligible for pupil premium but could also include pupils with other types of disadvantage or additional needs, including Special Educational Needs and Disabilities (SEND), children who have a social worker, previously looked-after children, young carers and other vulnerable pupils.”

School led tutoring

We are delighted that so far, we have offered out catch up to 76 children who meet the criteria using the government funding. What is even better is that the tutors are our staff who know the children

and can really match the interventions to their needs quickly and efficiently.

The first round of interventions is now finished and we will be offering out places to the remaining 58 pupils who qualify under this scheme. Again the tuition will be run by our staff which is really good news. A parent mail will be going out soon informing you of the days and times of the tuition. The round of tuition may be twice weekly in order to fit in the number of tuition hours before the children break up for the summer.

Tuition partners

Tuition partners are external tutors who come into school to work with the children during the school day. The government has recruited thousands of tutors who are on a register that schools can access. The demand has been so high that school have struggled to secure tutors as we have. It has also taken a number of teachers away from ‘normal’ supply work which I believe has impacted our ability to cover classes when staff have been absent.

Other School interventions

Mr McKee, Mr Cambray, Mrs Gilmartin and myself also run different intervention groups across the school to help the children with their learning and understanding in a variety of subjects.

Drop off and pick up times.

We all know that children like to play and I certainly do not want to discourage that as so much learning happens through play.

However, (there is always a however!) the children need to be aware of when it is the right time to play.

With parents and young children at the front of the school at the start and end of the day there have been a number of near miss accidents that could have been serious.

I am asking you to

- Keep your children with you
- Ensure scooters and bikes are not ridden until your child has left the school site
- Ensure that chasing games and footballs are not played with or kicked at drop off and pick up times
- Please, Please, Please! Keep your child out of the car park – it is dangerous and drivers are looking for a place to park.

Netball news

Yesterday saw our girls come up against Claygate B team in wintry conditions. The game started brightly with some quick passes and a few shots but it soon became aware that the wind was going to be a factor and after the first two quarters Claygate B, playing with the wind, were 4-0 up. In the final two quarters we had more attacks but just couldn't score enough goals and the final score was 6-1 to Claygate B. Gaby scored our only goal and was named player of the match. Well done to all the girls and thank you to all our supporters for braving the cold.

Skipping workshop

Last Thursday and Friday saw us celebrate national skipping day by inviting Mary Cox from www.skipping-workshops.co.uk to teach us lots of different skipping skills and games. Skipping is a great way to stay active and can be accessed by all levels of fitness and ability. Did you know that 10 minutes of continuous skipping is equivalent to a 30 minute jog?

All the children really enjoyed their sessions with Mary and it has been great to see lots of children in the playground this week practicing all the skills they learnt in the sessions. Other skills and video demonstrations can be found on their website. See if you can beat the pro.

'Love Molesey' Refresh Church Competition

The school was invited to take part in a painting competition for all children.

The theme was 'Love' and the paintings could be of their family, favourite pet, friends, or what 'love' meant to them.

All the children's paintings will be displayed in the Refresh Church window during the holidays. Susie & Evie from the Refresh Church chose the winners and overall winner and presented the prizes to the children. Below are the winners with their pictures and prizes:

Madeline T	- Bloomsbury
George R	- Bloomsbury
Albi H	- Baker Street
Nahla K	- Regents Park
Yaseen A	- Regents Park
Elizabeth-Rose F	- Southbank
Natalie H	- Windsor Castle
Chelsea-Maye S	- Buckingham Palace

Overall winner: Rihanna M - Kensington

Well done everyone!

Creative Art Awards

Today we gave out certificates and sparkly stars to our award winners. Their book vouchers will be presented after Easter.

The winners were:

Lucas W	Baker Street
Olek I	Bond St
Fanrong W	Southbank
George M	Regents Park
Ghazal A	Kensington
Lily E	Greenwich
Katie P	Windsor Castle
Logan C	Buckingham Palace
Lola L	Paddington Place
Jace B	Bumblebees
Marie K	Dragonflies
Lola C	Hyde park
Alice M	Bloomsbury
Julianna S	Pudding Lane

30 Hour Nursery Code

If your child is currently attending the nursery for 30 hours, please may we remind you to reconfirm your 30 hour code before the end of term. If codes are not reconfirmed every term your child may fall out of eligibility for extended provision. If you are having problems reconfirming your code please contact the Childcare Choices helpline number on 0300 123 4097 as soon as possible.

And Finally..

If you celebrate Easter have a lovely Easter , if you don't, have a lovely break and I look forward to seeing you all next term.

Mrs Williams
