Parent Voice – Please note change of date

What is parent Voice and why is it important?

Parent Voice gives the school an important insight and overview from the viewpoint of the parents.

School related matters, suggestions and comments can be heard, and it enables the school to understand the needs of its community better and become even more effective.

Our first Parent Voice drop in will be held on **Thursday 26th May at 2pm** for any parents and carers who would like to come and chat about the topic of the week. The first topic has come from comments on the parent questionnaire responses:

Extra curricular activities – *What activities do you like? What else would you like for your child? Are the current clubs too long, or too short. How much are you prepared to pay for clubs after school and school trips?*

How can we get more parent helpers?

The kettle will be on and we are looking forward to meeting with you to hear your comments and suggestions.

Your school needs your Help!

Can you or someone you know or a company you know be able to help us solve a problem?

We were delivered this 3m shipping container to replace our rotting PE shed last year but unfortunately it was not able to be placed where we wanted it at the time. We need your help to move it.

Do you have contacts to a company that would be able to help us move it or have any other ideas how we could? The container is 3m long, 2.44m wide and 2.6m high and needs moving approximately 50m.

If you are able to help or have any suggestions please speak to Mrs Walsh in the office. Thanking you in advance

Nursery Places for September 2022 filling up quickly!

We are now allocating nursery places for September 2022 and still have places available. If your child is 3 years old by 1 September 2022 and you have not already applied for a place, please contact the school office as soon as possible as we are filling up quickly.

Pupil Absence Procedures

The School's Attendance Policy states that parents and carers must inform the school office on the first day their child is absent from school and on any subsequent days. Absence calls to school must be made by 9.00am. If you call the previous evening please leave a message on school voicemail. After 8.30 am please leave a message on the absence line by choosing option 1. This procedure is to ensure that your child is safeguarded at all times. If a child has not arrived at school and we have not heard from a parent or carer we have to follow up to find out where they are; they may have gone missing on the way to school, you may be ill and be unable to raise help. If we have not heard why your child is absent, we will try to call you and if we cannot make contact with you we will call the people on the list of contacts you have provided. If we are unable to make contact with a parent, carer or designated relative over the phone and we do not know where your child is we will do a home visit to make sure they, and you are safe. As a final step, we will call the police. It is important that the list of emergency contacts is always up to date. If you need to provide the office with any changes to these, please could you do so as soon as possible. Leave of absence taken during term time will only be authorised in exceptional circumstances. You may be liable to receive a Penalty Notice for unauthorised leave of absence taken during term time. Please refer to the school's Attendance Policy available on our website.

Queen's Platinum Jubilee Celebrations

We are looking forward to our day of celebration on Friday 27th May.

There will be a variety of activities in the morning for all the children, including painting a stone, biscuit decorations, painting the Queen's portrait, writing poems and letters to the Queen and a whole school photo.

We will also display bunting made by each class around the playground area.

There will be hot dogs, chips & a biscuit (free for all children) at lunchtime and in the afternoon, we will have outside activities as well as a visit from the ice cream van and a slice of our specially prepared jubilee cake.

A reminder for children to bring in a stone for painting and to pay 50p for the ice cream via Parentmail.

(Allergies will be taken into consideration and if you have concerns, please contact the office)

Refresh Cooks – Year 5

Refresh Cooks is an exciting after school project that will be starting after half term for Year 5 children. A flyer will be sent home via Parentmail on Monday with details and a link for registration and payment. If you have any questions, please contact Mrs Edwards.
