## Our School Values

Aspirations

Perseverance

Courage

Compassion

Respect

Together

### Reception Class Assembly

Our head boy and head girl introduced and closed the Reception classes assembly which was attended by so many parents and carers. The children were all superstars and they performed brilliantly sharing their learning in phonics, their work in forest school and the links to Jacob and the beanstalk, their Talk for Writing story.

Well done everyone, we were very proud of you all.

We all had a fantastic time participating in National Numeracy day on Wednesday. The day started with the online world record attempt with the Times Tables Rockstars and continued learning how we use maths in everyday life - including dancing and baking! The website is full of fun activities you can continue with at home for children and adults.

### Class Photographs

On Tuesday 24 May the children will be having their class photographs taken. Please make sure that your child comes into school looking smart and with a big smile!

If your child does PE on this day and you would prefer them to wear their school uniform, please wear school uniform and bring their PE kit to change into.

## Listening Ears

We were really pleased to welcome 3 new Listening Ears: Ben from Paddington, and Medina & Ana from Reception. Mr Luxon has ordered some arm bands for all the Listening Ears to allow them to be identified during playtime and everyone is looking forward to receiving them. Today we met to check in with everyone and talk about some of the best things the Listening Ears have enjoyed in their role. They were excited to tell our new Listening Ears about their experiences. The children then wrote & drew these experiences and below are some examples of their pictures & words.

See if they are there.  
Help them. See if they are  
okay. Tell a teacher. Are they  
want to join the game.

## Jubilee Celebrations

A reminder to bring in a stone next week for painting and to pay the 50p contribution for ice creams in time for the celebrations on Friday.

## Play Leaders

We met with the Play Leaders for a check in and to ask them if they would support the Year 5 when it comes to applications for next year's Play Leaders. They will be a part of the Year 5's training and today they helpfully wrote down some examples of what it is like to be a Play Leader. We are looking forward to talking to the Year 5's after half term and encouraging our new set of Play Leaders for the next academic year.

## Refresh Cooks – Year 5

Spaces are already filling up for the Refresh Cooks after half term. Please secure your place by registering via the parent mail that you received on Tuesday.

you have not already applied for a place, please contact the school office as soon as possible as we are filling up quickly.

## Parent Voice – Please note change of date

What is parent Voice and why is it important?

Parent Voice **gives the school an important insight and overview from the viewpoint of the parents.**

School related matters, suggestions and comments can be heard, and it enables the school to understand the needs of its community better and become even more effective.

Our first Parent Voice drop in will be held on **Thursday 26<sup>th</sup> May at 2pm** for any parents and carers who would like to come and chat about the topic of the week. The first topic has come from comments on the parent questionnaire responses:

***Extra curricular activities*** – *What activities do you like? What else would you like for your child? Are the current clubs too long, or too short. How much are you prepared to pay for clubs after school and school trips?*

*How can we get more parent helpers?*

The kettle will be on and we are looking forward to meeting with you to hear your comments and suggestions.

## Nursery Places for September 2022 filling up quickly!

We are now allocating nursery places for September 2022 and still have places available. If your child is 3 years old by 1 September 2022 and
