Our Voice counts....

We had a request from Elsa in Year 3 if we could buy some books from her favourite author. The school council thought this was a wonderful idea and want to include the ideas of the whole school. During half term have a chat at home with your child about their favourite books and authors. They can then share these names with their class and school councillor. The council will then meet and plan how we can get a selection of the books into the school library and classrooms.

After this date the final deadline for orders to be received into school is **15 June**. Orders for home delivery before the start of September term can be ordered up until **22 July 2022**.

Lost Property

There is a huge amount of lost property in the box which has now been relocated to the left hand side of the hall doors.

If your child has lost any items this term, please check the box.

Independent Learners

Congratulations to everyone who took responsibility for their online learning this term.

In Mathematics the children collectively completed 194 hours of maths learning. Together we received 11,000 live maths points, 177,090 activity points and 23,370 skill quest points. This meant 62 bronze, 14 silver and two gold certificates awarded.

In Education City, together we completed over 65 hours of learning: 10,500 questions completed, over 1000 activities and lots of fun playing live. Well done!
