### Message from Mrs Williams

It is really hard to believe we are at the end of another year. The Year 6 children will soon be on their way to their new schools to start the next stage of their learning journey. We all wish them every success and know that their aspirations will take them on to amazing things. Those of you who saw their performance will know what stars they all turned out to be. I am sure we will see some of their names up in lights in years to come.

Every child in school has worked their hardest and reading the reports was such a pleasure as it confirmed what I already knew. We have the politest, most well-mannered children. Children who ask questions because they want to learn. Children who make me smile with their enthusiasm and energy. My thanks go to each and every one of them, they are the heart of the school.

I would also like to say thank you to all you parents and carers; for your contributions, your support and your ideas. Your commitment to the school is so appreciated. The Parent Voice meetings have been great listening to your thoughts on a range of ideas and I am really looking forward to continuing these in September. My good wishes go with those of you leaving us. Those of you returning, and to all the new parents and cares I am looking forward to seeing you in September and working with you next year.

I would also like to thank all the staff, each and every one of them. They are the people, along with you and your child, who make the school what it is. We are all looking forward to next year and seeing what more we can achieve together.

Thank you again and stay safe over the summer and enjoy the weather (hopefully not as hot as today and tomorrow!).

Lynn Williams

## Internet Safety

More and more of us, including the children, are using the internet to access things. Whilst there are some great resources on the internet, I am sure that you are aware of the potential dangers of using the internet and that you monitor what your child is accessing. There are some very nasty websites out there, which are easily available to people of all ages with unpleasant images on them. There are also chat rooms; who knows if the person you are chatting to is actually the person you believe it to be.

At school we actively teach the children to be internet safe. Our website has some great links to keep children safe. It is located under the heading **Parents – On line safety**.

## Water safety reminder

Top tips for river safety from the government website:

- “1. Don’t jump or dive in as the depth may vary and there can be unseen hazards.
2. Don’t go in near weirs, locks, pipes and sluices. These and some other water features are often linked with strong currents.
3. Inland waters can be very cold, no matter how warm the weather. Those going into cold water can get cramp and experience breathing difficulties very quickly.
4. Keep a look out for boat traffic. Boaters, especially on larger vessels, can find it very hard to spot swimmers.

### **Parents and guardians can help keep children in their care safe by:**

- teaching them to swim
- warning them not to go into water alone, or unsupervised
- ensuring they know where the children are and what they are doing
- supervising them closely when near any open water

Drowning can occur very quickly, even in shallow water, and the key to keeping safe is to take all necessary precautions to avoid getting into difficulty in the first place.

Experience shows it is often young people who get into trouble whilst swimming in open water, which contains hazards, particularly in and around locks, weirs and bridges. Unexpectedly cold waters or strong currents can also catch bathers off-guard.

Youngsters are often seen jumping off the many bridges along the Thames. While this may seem like great fun, there are hidden dangers in the water that can cause tragic consequences.”

***Have fun but stay safe!***

## Water Bottles, hats and sun cream

All children from nursery to Year 6 should have a named water bottle in school every day. Research has shown that children who have access to water throughout the school day learn more.

Could you also please remember to send children in with a hat and to apply sun cream before school.

## Last Day of Term

Just a reminder that school finishes on Friday 22 July at 2 pm. We look forward to welcoming all the children back on Monday 5 September 2022.

## School Dinners

There will be a small price increase for school lunches from September 2022, the daily cost of a school lunch will be £2.60 per day, £13.00 per week. All children in Reception, Year 1 and Year 2 are entitled to a universal free school meal. The children have a choice of three meals every day and can also help themselves to a salad bar. If you would like to see a menu please ask at the school office.

## Playleaders

We are very pleased to announce that we have 9 very enthusiastic Play Leaders who will be going into Year 6 in Autumn 22 and will start their new role:

Olly N	Freddy M
Johan M	Lucy S
Lilly E	Yamina A
Layla-Belle H	Ghazal A
Rihanna M	

The current Year 5 were invited to submit applications as a Play Leader, and from these applications, Mr Luxon and Mrs Edwards chose students who had managed to convey their enthusiasm through words & pictures of their desire to become a Play Leader and games they would like to play.

The Play Leaders then met on Thursday afternoon, along with Olly who has been a Play Leader this year, to listen to Olly talk about his experiences and answer any questions. The children then took part in pairs to complete work sheets on 'What goes on in our Playground', and what a Play Leader should/or should not be, along with a word search on different sports & games.

We ended the session with a couple of their favourite games; Duck Duck Goose and What's The Time Mr Wolf.

We will meet again at the beginning of next term to make sure they are all ready to start their new role and wish them lots of luck with their fun and games with the younger students.

## School Uniform supplied by Brigade

Brigade School Uniform - Last order deadline for Delivery to Home before the September term is **FRIDAY 22<sup>ND</sup> JULY 2022**.

Orders placed for Home Delivery after this date will start to be delivered towards the end of September.

## School Uniform Exchange

We do have some second hand uniform, if your child is leaving the school we would be most grateful for any donations of quality clothing. If you would be interested in any second-hand uniform please contact the office and we will get back to you as soon as we can.
