### Support your Child with Reading at Home

This term we will be holding two meetings for you to learn how to support your child with reading at home. We will cover how children learn to read, how we teach reading, the phonics scheme that we use and the importance of reading for pleasure. We hope these meetings will be useful in helping you feel confident in reading with your child at home. The KS1 (Years 1 & 2) meeting will be held on Wednesday 16 November and the KS2 (Years 3-6) meeting will be held on Wednesday 23 November 2022. Both will start at 9 am and be in the Albert Hall.

### Book Fair

Thank you for supporting the Book Fair last term. It was lovely to see so many of you discovering books to enjoy at home together. There was a real excitement at the Book Fair and it was great to see the children enjoying reading. Thanks to your support we raised over £900 to spend on books! We will use this to create a reading spine of quality, core texts that children will read each year and improve the diversity of the books we have in our library. We are currently busy judging the many book cover competition entries. We would like to say a huge thank you to the many children who took part. We will reveal winners this week.

### Festive Season

As part of the festive season and our commitment to the families of Chandlers Field, the school would like to invite all our families the opportunity to have a warm lunch on Thursday 29<sup>th</sup> December between 12pm - 2pm. We are planning to provide hot soup and home made bread. If you would like to come with your children, everyone will need to bring a bowl and a spoon. Children will need to be accompanied at all times by a parent.

In order to ensure we can meet catering numbers, please email Jill Edwards ([jill.edwards@chandlers-field.surrey.sch.uk](mailto:jill.edwards@chandlers-field.surrey.sch.uk)) if you and your child would like lunch, and how many tickets you would like.

Where possible we will try to meet dietary needs but this will be confirmed nearer the time.

## Parent voice

The next date for your diary 3<sup>rd</sup> November 2022 at 2.30pm. We will be talking about contributions to our new expectations booklet. What should the school expect of parents and carers and what should parents and carers expect of their school.

Everyone is welcome. It is very informal. It's a chance to meet up and share ideas. Come along even if you just want to meet other parents and have a cup of tea! I will be there with Mr McKee and Mrs Edwards... see you there.

## Secondary School Applications

If your child is due to start secondary school in September 2023, you have until 31 October to apply for their school place.

If you miss the deadline, you reduce the chances of getting one of your preferred schools for your child. We recommend you apply as soon as possible and before schools break up for half term on 21 October, to avoid any last-minute hiccups.

The online admissions system is quick and easy to use. Here you will also find information about schools in your area.

You can even apply using your mobile; [surreycc.gov.uk/admissions](http://surreycc.gov.uk/admissions)

**Apply online; apply by 31 October.**

## CYBERBULLING – Information for Parents from the Anti Bullying Alliance

- Talk to your child about who they're talking to online and encourage them to think before talking to people they don't know in person
- Try to understand and guide your child's online behaviour - negotiate and establish boundaries and discuss sensitively the issues around the concept of 'friends'
- Familiarise yourself with the social networking sites and chat programmes your child uses. Find out more about its build-in safety functions and how they can be contacted within the service
- Ask your child if they know how to block someone who they don't want to talk to anymore. If they don't, help them learn how to use the blocking feature
- Use parental control software provided by your internet service provider, mobile phone network, online content provider or games console, and consider using filtering options, monitoring and setting time limits for access to chat.
- If you discover misconduct between your child and someone online stay calm, investigate the facts and seek expert help. If someone has acted inappropriately towards your child, or someone they know (such as sexual chat, or asking them to meet up) contact the [Child Exploitation and Online Protection Centre \(CEOP\)](#)
- [NSPCC and O2](#) have a free online safety helpline for parents and carers - 0808 800 5000
- Find more information for parents and carers on [Internet Matters](#) website which covers all things internet safety
