### What is bullying?

The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online'. *(Quote from the anti bullying alliance)*

Bullying is not a friendship disagreement.

At Chandlers Field school, we work hard to ensure any allegation of bullying is dealt with efficiently. Any allegation of bullying is investigated and regular check ins are put in place with the pupils involved so that the situation can be monitored over a period of time to ensure no further incidents occur.

Our child friendly anti-bullying policy was created by The Kindness Stars who are a team that incorporates pupils, staff, parents and governors. If you would like to join The Kindness Stars and attend our half termly meetings, please contact Mrs Edwards via the school office for more information.

## School Council

The school councillors and deputies were very excited that their new school council badges finally arrived. The council will meet next week to discuss the progress of their lunchtime play equipment project. It will also be a great opportunity to share what we learned about how we communicate and work as a team together.
