Our School Values

Aspirations

Perseverance

Courage

Compassion

Respect

Together

Class Photographs

Class photographs have been sent home with the children this week. Please either order online or return your completed order back in to school by Monday 15th May.

Bikes, scooters and skateboards

For the continued safety of your children please be aware that there should be no cycling, scooting or skateboarding within the school grounds.

Repeat offenders will be banned from bringing them to school.

Thank you for your co-operation.

Parking

As a key part of the local community, we are very conscious that we should respect our neighbours and local residents in conjunction with placing huge importance on the safety of our children. We therefore have strict parking requirements which we would ask you to observe at the beginning and end of the day. Can parents please be aware that they must not park on the yellow zigzag lines near the school or the double yellow lines beyond these or any of the grass verges. If parking further from the school, please leave the pavement clear to allow all pedestrians to pass your car. We are aware that sometimes parents park such that those in wheelchairs or with visual impairment cannot pass - please consider their needs carefully. - Please avoid parking across our neighbours' driveways blocking their access.

If you are aware of illegal or inconsiderate parking taking place please send an email to SurreyParkingEnforcement@nslservices.co.uk with as much information as possible and they will investigate.

National Numeracy Day

Many of us may think that we are not number's people. But whether we like it or not, numbers play a big part in all our lives. National Numeracy Day is about recognizing the importance of numbers and numeracy

and encouraging people to sharpen their skills and build their confidence with numbers. Being smarter with numbers isn't a special talent, it's something we can all learn! Next week the children will participate in activities to boost confidence and have fun with numbers! At home you can also participate with the children and there are lots of adult numeracy activities. Why not have a go at completing the challenge? The link to the site is here: <https://www.nationalnumeracy.org.uk/numeracyday>

Nursery Places for September 2023 filling up quickly

We are now allocating nursery places for September 2023 and still have places available. If your child is 3 years old by 1 September 2023 and you have not already applied for a place, please contact the school office as soon as possible.
