

The Friends of Chandlers Field School

Sponsored Bounce!!

We are excited to confirm that on **Friday 9th June** there will be a bouncy castle set up in the school grounds for our Sponsored Bounce Event.

Every child will have the opportunity to have a go during the school day.

We would like the children to guess how many bounces they can complete in 3 minutes and where possible to obtain sponsorship, raising funds for the FOCFS!

Ask your parents, family, friends and neighbours to sponsor you!

A sponsorship form is attached but you can use any piece of paper for this at home if easier.

Children should bring their sponsorship forms with them on 9th June and can bring any collected monies in an envelope marked 'Bounce' on the same day OR at any point up to 16th June.

Which class will get the most bounces?

Please speak to your class teacher if you do not want your child to have a go on the bouncy castle.
