Dear Parents and Carers

It has been lovely being back in school this week and Dexter and I have been so excited to see everyone again. As soon as my mobility allows it I will be back outside school at the start and end of the day to see you all, with the other members of SLT.

Looking forward, we are going to join in fund raising for Children in Need again this year and the children will be able to take part in a walking or running challenge; it will be a messy (more information to follow) but fun event for the children which will hopefully raise funds for a very worthy cause. If you are able to volunteer some time to come and help stamp cards please let me know as soon as possible. School council are also discussing other things the children would like to do on the day and they will be sharing their ideas once they are finalised. It would be lovely to have your support to make this a really fun day for the children.

As you know we are now officially a Talk for Writing showcase school. We will be opening our doors to share our writing journey with teachers and leaders from other schools. Staff and children have worked really hard and it is fantastic that they have an opportunity to share their great work with others.

Head Boy Head Girl

Congratulations!!

We are delighted to announce that this year's Head boy is Woody and our Head Girl is Rosie-Leigh. Congratulations to them both. The nominations for the roles come from staff across the school.

School Council

Congratulations to our new school councillors! The children standing for School Council wrote manifestos and delivered speeches and all the children took part in a democratic vote. Our first meeting was held today.

Jubilee Garden

I am sure you have noticed some of the decorated stones that children made as part of the Queen's Jubilee celebrations in school, around the base of our flag pole. Please can I remind everyone to ensure children (and adults) do not pick these up and play with them as it will damage the artwork on them. There will be a

sign going up asking everyone to respect our Jubilee Garden as it develops but until it is in place, it would be really nice if you could all keep an eye on it for the children. Thank you

Social Media Apps

Across the school, parents and carers have set up their own WhatsApp groups. This is a good way to build a community amongst parents and carers, and keep up to date with activities that are happening in your child's year group. These groups are not managed by the school.

To make sure that the WhatsApp groups are used responsibly and effectively we recommend the following guidelines for members:

- The purpose of the WhatsApp groups are to connect our community in an inclusive and positive way.
- The school year WhatsApp groups are valued by members for helping each other out, sharing reminders and clarifying communications.
- The group should never be used as a platform to air views/grievances regarding a teacher, child or parent in the class or school.
- The group should not be used for private conversations with anyone else using the group.

We'd like to ask all parents and carers to respect this purpose and participate in this spirit.

As a reminder: Concerns relating to school should be discussed with the school info@chandlers-field.surrey.sch.uk or by telephoning 0208 224 4731
