Children in need

Keep an eye out in your child's bag for their **sponsorship form for our Children in Need walking challenge** which is happening on the 17th November.

The children will be walking laps of the school field during the school day. (Are you able to offer some time to help stamp cards for the children as they go around?) They will be walking whatever the weather so please ensure they wear appropriate shoes and have a coat. The children can come to school wearing spots and it will be great to see them walking in their spots for such a worthy cause.

Forest school clothing

Children going to forest school must wear long sleeves and a coat, especially when it is raining. If they do not have the correct clothing they will not be able to take part as we need to ensure they are warm, dry and safe. Thank you in advance for making sure they are properly equipped.

Swimming

Living so near the river puts great emphasis on the need for all children to learn to swim and to become confident in the water.

“Inland water, such as rivers, canals, lakes, reservoirs, and quarries continue to be the leading locations for accidental drowning with 60% of deaths. “say the *Royal Lifesaving Society*.

This week there were a number of children who for a variety of reasons were not swimming. Swimming is a statutory part of the National Curriculum:

pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

We really want to encourage all children to take part in lessons so unless they are unwell, and in which case shouldn't be in school anyway, all members of the class that is swimming will be walking to the pool. Thank you for your understanding and for helping keep the children safe.

Double congratulations...

...To Mrs Packer who gave birth to a lovely baby boy this week. Mum and baby are doing well.

...To Miss Callen who is expecting her second child.

I am sure you will join with us to say congratulations to them all.

Parking

We have had another request from a parent, relating to poor parking and unsafe driving, asking you to take more care when you are near the school.

Thank you for keeping our children safe

Year 2 Visit from Fire Service and Rescue

On Monday, Eric from Surrey Fire Service and Rescue visited year 2. They had a great morning learning all about what fire fighters do and the equipment they use. They learnt what to do if they found a fire and practised calling '999'. They also learnt which objects are safe to play with and which ones they should stay away from.

“If you see a fire, get out, stay out and call 999.” Advice from Amanda, Southbank.

“This was really important to learn about because fire is dangerous.” Astrid, Southbank.

Secondary School Applications

If your child is due to start secondary school in September 2024, you have until 31 October to apply for their school place.

If you miss the deadline, you reduce the chances of getting one of your preferred schools for your child. We recommend you apply as soon as possible and before schools break up for half term on 20 October, to avoid any last-minute hiccups.

[The online admissions system](#) is quick and easy to use. Here you will also find information about schools in your area.

You can apply using your mobile; surreycc.gov.uk/admissions

If you cannot apply online, you will need to call Surrey's Schools & Childcare Service on 0300 200 1004 to request a paper application form. Make sure you send it back to arrive no later than 31 October 2024. We recommend you send it by registered post. **Apply online; apply by 31 October.**

How can you help?

As mentioned last week we would love to here from anyone who runs a local business that could benefit our children in any way? For example:

- Food trucks
- Homemade products
- Book stores
- Estate Agents
- Printing
- Have something/a service you could donate to a raffle?
- Anything else?!

Please get in touch as we are eager to build a list of vendors in our school community who can benefit from our activities at the same time as benefitting our school.

Get in touch

We would like to hear from any parents who would be willing to volunteer at events or with planning in any capacity.

Please email: friendsofcfs@hotmail.com or you can message 07816555949.

HELP LOCAL CHILDREN GET A GIFT TO OPEN THIS CHRISTMAS
 This Christmas, Walton Charity is teaming up again with Stripey Stork to ensure that some of the **thousands of children living in poverty** across Elmbridge have a gift to open on Christmas Day.

For many of these children, our gift will be the only one they receive.

Thanks to the generous support of our local community, last year the appeal funded gifts and stocking fillers for **593 local children**. This Christmas, demand for help is expected to be even higher as local families face a challenging winter with the cost-of-living crisis still hitting hard.

Double your donation! Walton Charity will match all donations made the appeal £ or£.

- £6 could buy a football and a pump
- £15 could buy a radio controlled helicopter
- £20 could buy a Baby Annabell doll
